

## **Ashdown Probus Members Survey - Outings**

Ashdown's reputation pre-Covid was very positive, with a vigorous programme of activities, including our various Outings, which helped us attract new members to the Club.

Our sports activities have now been satisfactorily built back, including Golf, Croquet, Ten-Pin Bowling, and Tues/ Thurs / Frid / Walking Groups.

But we do not yet have a programme of Outings for 2023 and we would like your assistance in choosing the activities that are affordable and you would support.

(The cost and price of activities has increased significantly since 2019 and this especially applies to coach hire. Depending on the numbers signing up for particular activities, we may increasingly have to travel by train, minibus, or self drive and car share).
