Dear Ray and Ashdown Probus Club,

Thank you so much for allowing Jenny to talk at the Ashdown Probus Club about the work of Chailey Heritage Foundation. She thoroughly enjoyed meeting and talking to everyone. Thank you for making her feel so welcome.

Thank you so much for your donation of £50, plus we received an additional £185 in donations from your members on the day, taking the total to £235. This is an amazing amount, we can't thank you enough for your support.

As you know, the children and young people at Chailey Heritage rely on highly specialist equipment and services in order to pursue their potential and access every possible opportunity for independence. Funding for these services and facilities is only made possible thanks to voluntary donations like yours. Here is how the donations made by The Ashdown Probus Club could be helping to make a difference:

- £15 could pay for a birthday present for children who live with us all year-round.
- £40 could pay for a music therapy session for young people with little or no speech.
- £140 could fund a switch activated device for table cricket and other inclusive sports, so that young people with complex disabilities can enjoy the benefits of participating in team games.

Thank you again for your support and please pass our thanks onto your other members.

With very best wishes,

Joy Dyson
